MISSION AND IMPACT

At the core of human development lies the cornerstone of education: literacy. The ability to read and write is an indispensable foundation for success, as it empowers individuals to unlock their potential and contribute meaningfully to society. Pryshth, a distinguished non-profit organization, embodies this ethos by providing comprehensive educational resources to a diverse range of individuals. Our commitment extends to children, youth, and people of all ages and backgrounds who yearn for education yet have been denied the opportunity.

Pryshth doesn't merely focus on imparting knowledge; we craft holistic educational journeys.

Our services encompass personalized guidance and counseling, ensuring that each learner's unique needs are met. From aiding in school and college admissions to facilitating higher education pursuits, our organization stands as an unwavering pillar of support.

Joining Pryshth means becoming part of a transformative movement that transcends limitations and champions lifelong learning.

Through our dedicated efforts, we aim to bridge the educational gap and empower individuals to shape their destinies.

Together, we forge a path towards a more enlightened and equitable future,

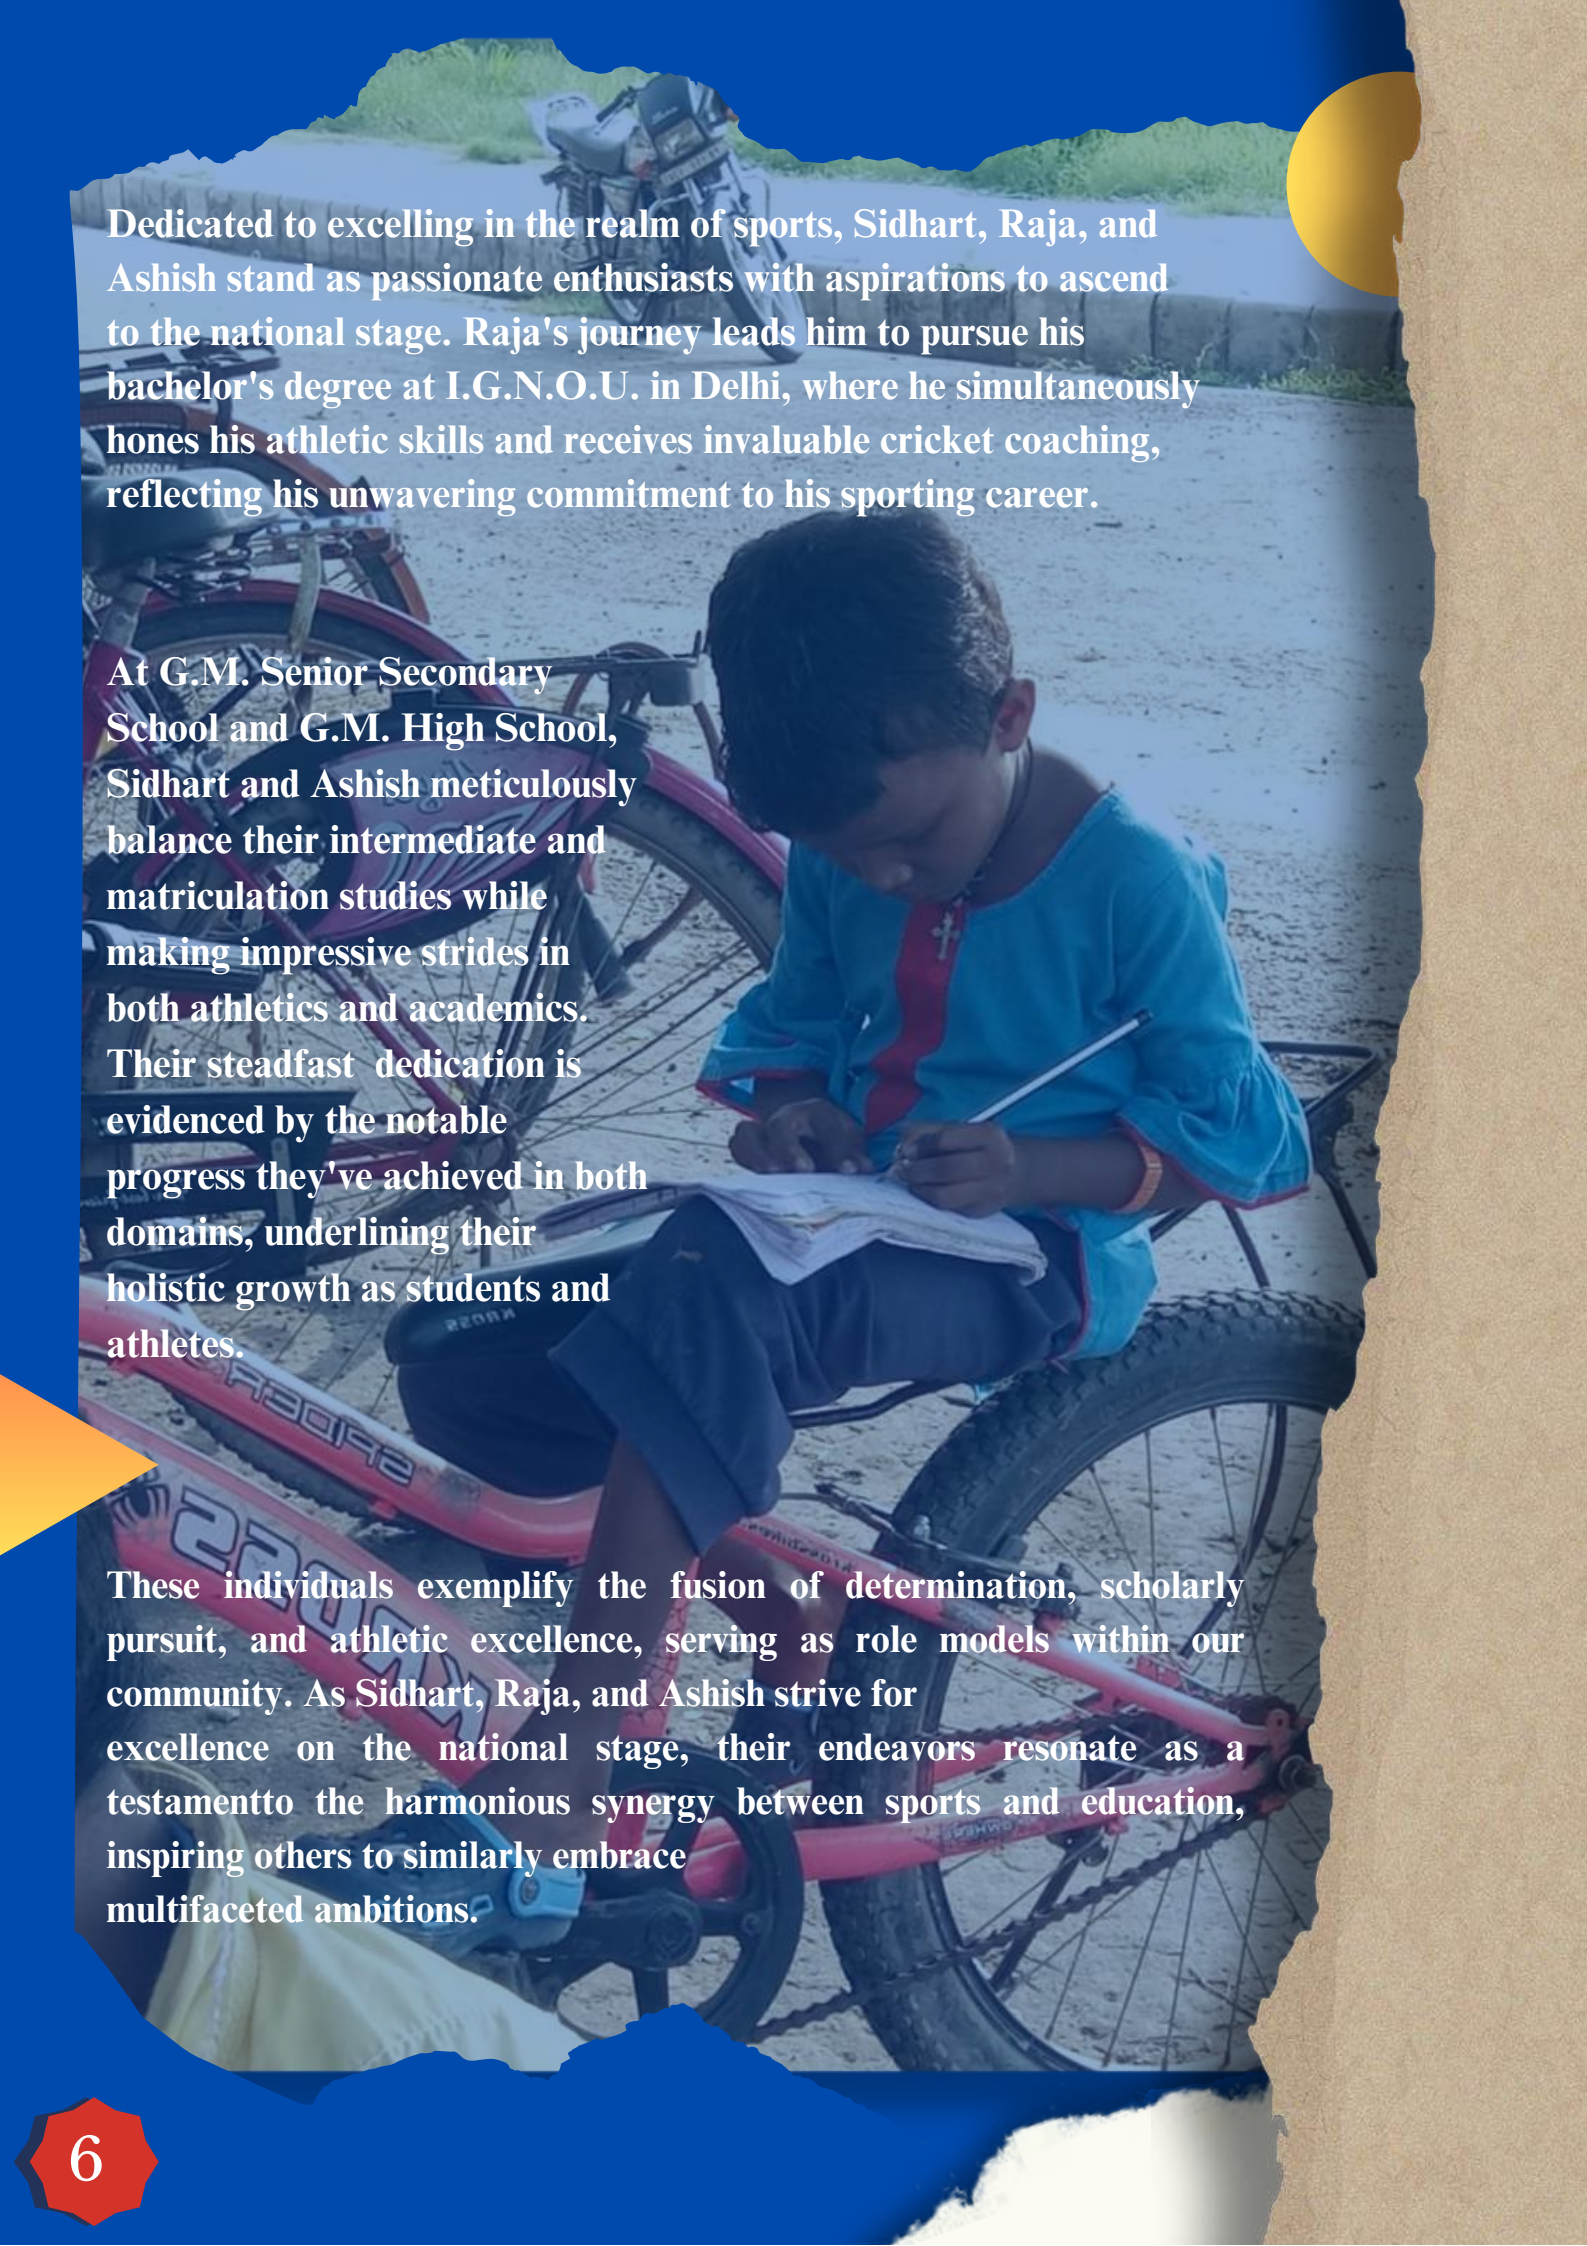

where education knows no boundaries.

ONGOING NARRATIVES

Dedicated to their educational pursuits, our aspiring educators Gudiya, Arti, and Partima are currently students at G.M. Senior Secondary School in Chandigarh, where they are undertaking their intermediate studies. Gudiya's journey has seen remarkable growth, as she has diligently worked to overcome her challenges with reading and comprehending English. Similarly, Arti's determination has led her to conquer obstacles in mathematics and economics, fostering notable advancements in her understanding of both subjects.

Meanwhile, Partima exemplifies a harmonious approach to education and extracurricular activities. Alongside her academic commitments, she actively engages in badminton, embodying the belief in a balanced life that harmonizes intellectual and physical development.

These diligent individuals exemplify the essence of perseverance and commitment, showcasing their capacity to transform challenges into steppingstones towards their teaching aspirations. As they navigate their educational paths, Gudiya, Arti, and Partima personify the spirit of growth and determination that sets a resounding example for their peers.

Dedicated to excelling in the realm of sports, Sidhart, Raja, and Ashish stand as passionate enthusiasts with aspirations to ascend to the national stage. Raja's journey leads him to pursue his bachelor's degree at I.G.N.O.U. in Delhi, where he simultaneously hones his athletic skills and receives invaluable cricket coaching, reflecting his unwavering commitment to his sporting career.

At G.M. Senior Secondary School and G.M. High School, Sidhart and Ashish meticulously balance their intermediate and matriculation studies while making impressive strides in both athletics and academics. Their steadfast dedication is evidenced by the notable progress they've achieved in both domains, underlining their holistic growth as students and athletes.

These individuals exemplify the fusion of determination, scholarly pursuit, and athletic excellence, serving as role models within our community. As Sidhart, Raja, and Ashish strive for excellence on the national stage, their endeavors resonate as a testament to the harmonious synergy between sports and education, inspiring others to similarly embrace multifaceted ambitions.

GET INVOLVED

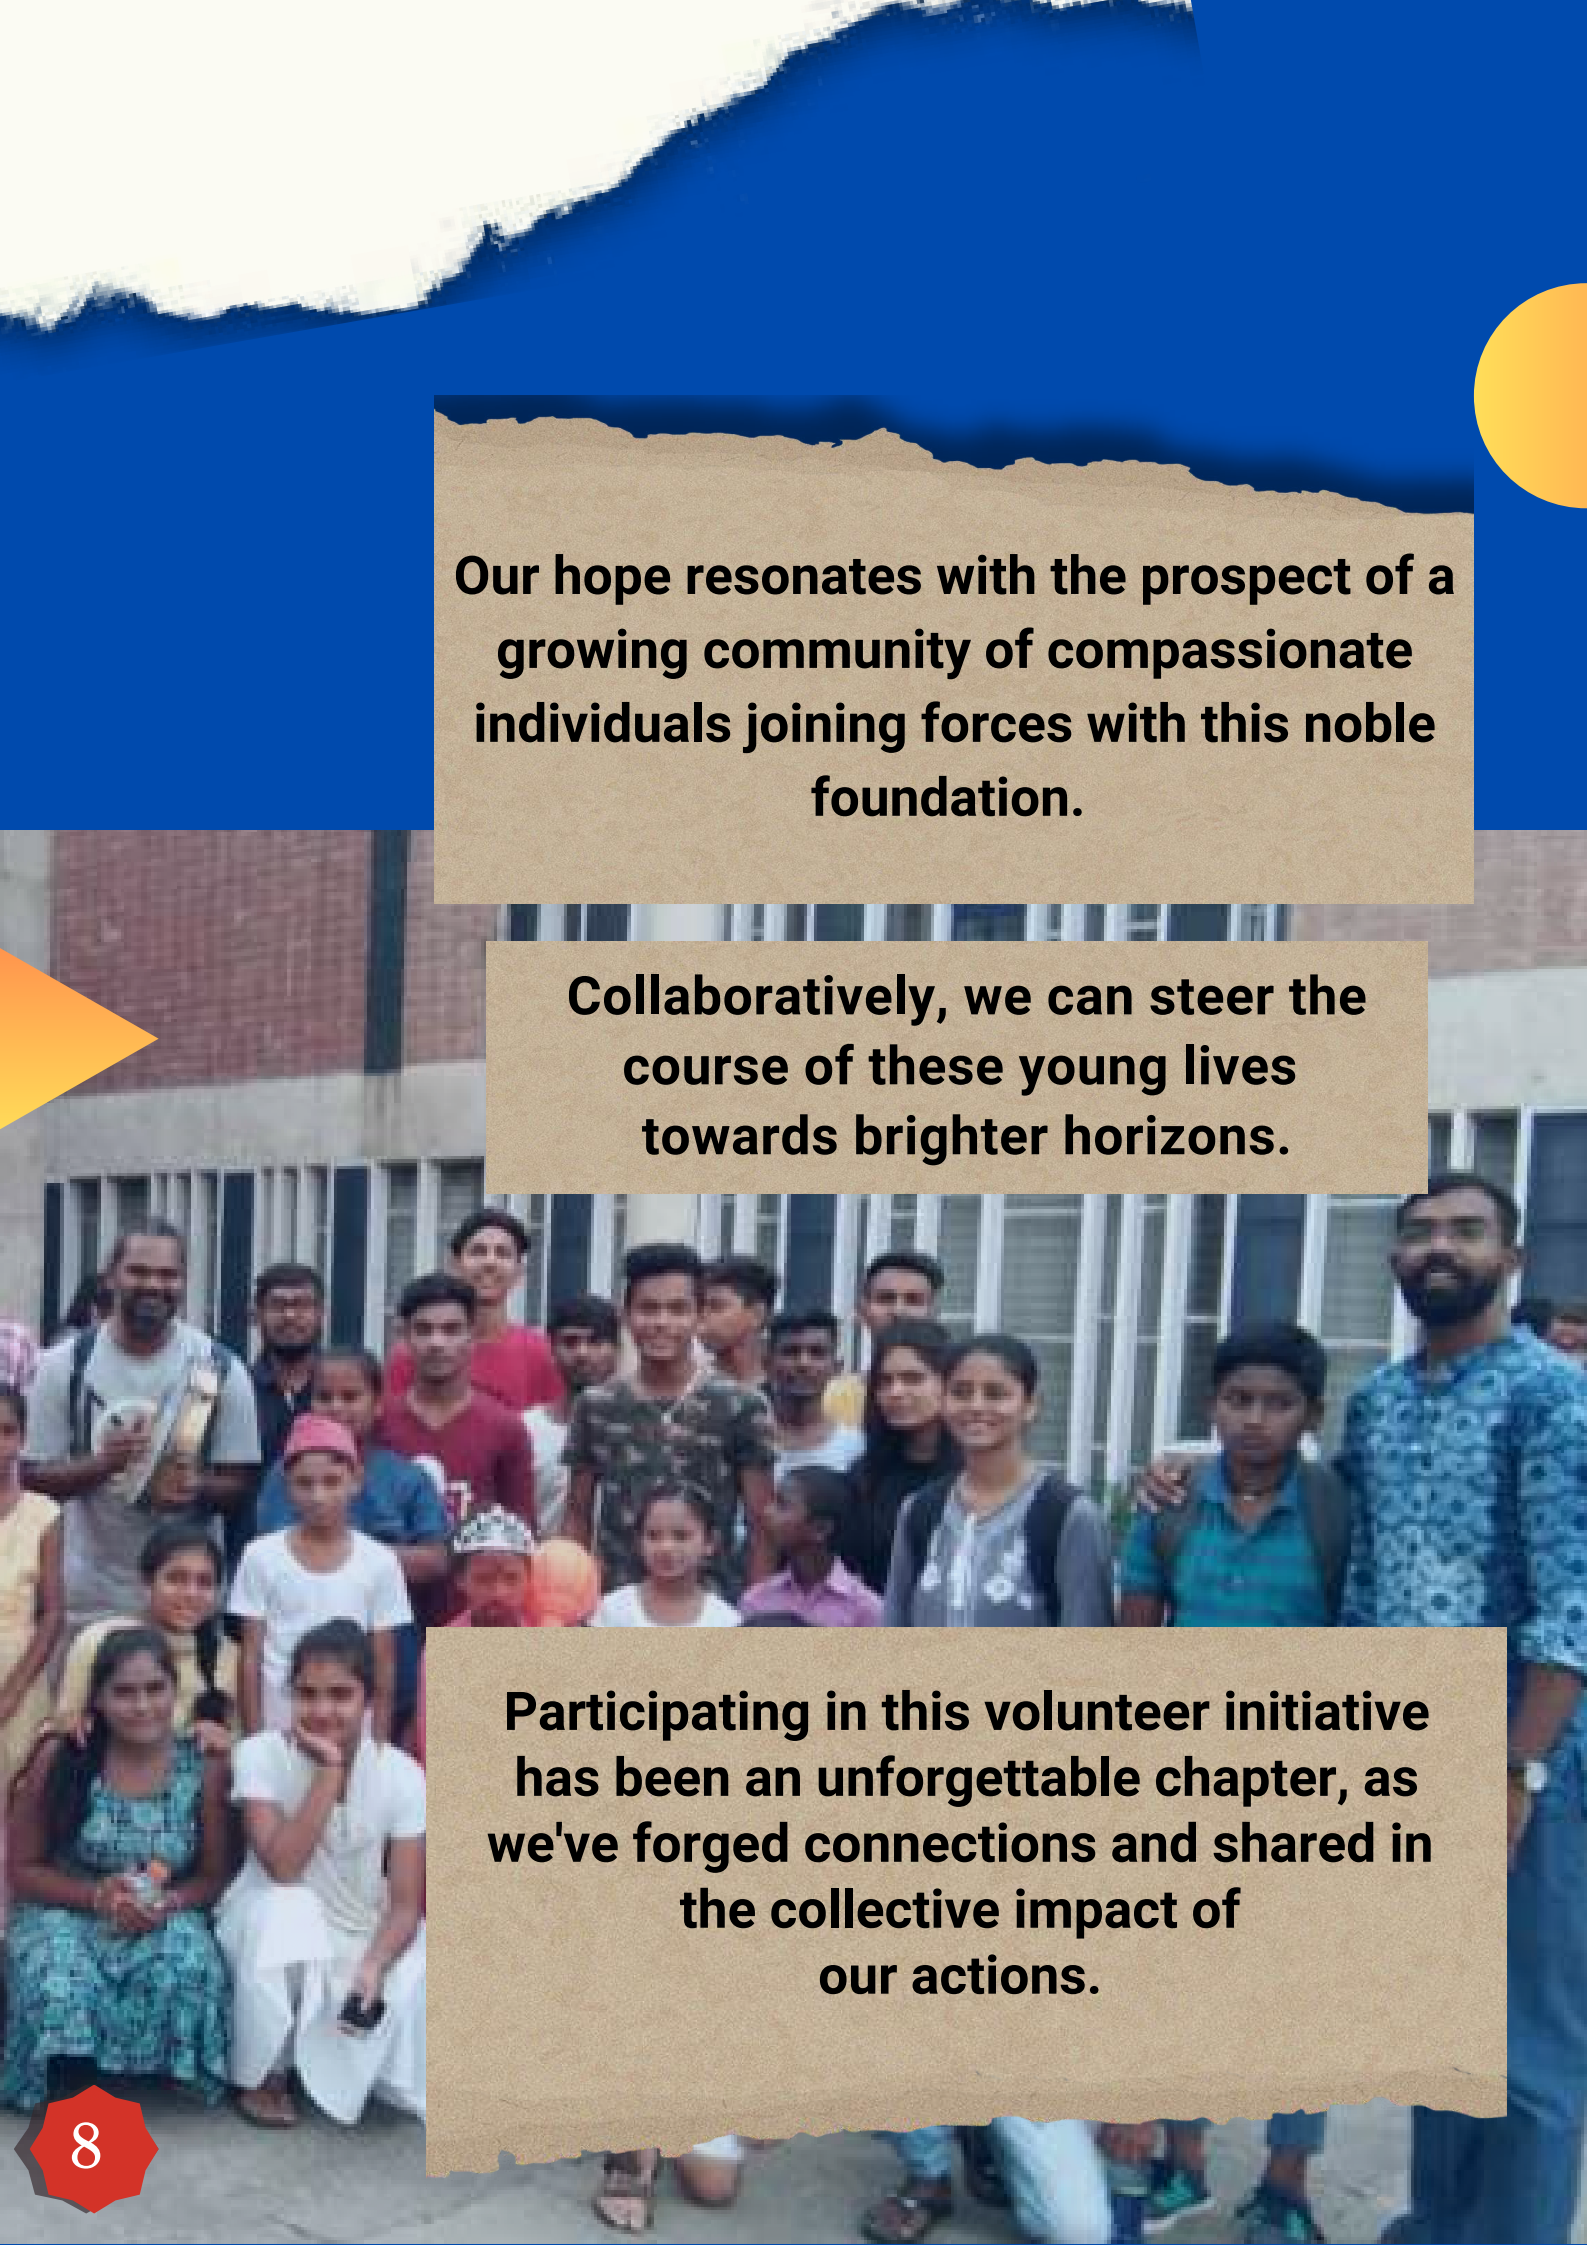

Staunch to our role as volunteers, the experience of assisting these underprivileged children has been profoundly rewarding.

Our efforts have bestowed them with a renewed lease on life, enabling them to harness and channel their innate talents productively. The progress they've made fills us with immense pride, and we earnestly wish for their continued journey towards a prosperous and healthy future.

As volunteers aligned with Prysht, we extend our heartfelt gratitude to the organization's members and visionary founders for entrusting us with this meaningful endeavor.

This opportunity to aid deserving students in their pursuit of education has enriched our lives immeasurably.

Our hope resonates with the prospect of a growing community of compassionate individuals joining forces with this noble foundation.

Collaboratively, we can steer the course of these young lives towards brighter horizons.

Participating in this volunteer initiative has been an unforgettable chapter, as we've forged connections and shared in the collective impact of our actions.

"Education is a way to liberation, and the best quality of an educated being is, educating others and that is the ultimate liberation. If you can educate someone, you already made a lot of difference in how we define education!"

Saurabh Mittal, Founder Member

"Everyone wants to change the world... and I believe the greatest weapon is education. It should be for all as it is the road to a better future."

Anupriya Paul, Founder Member

"Education should help one to feel freedom of mind. The intentions of education must be the inner transformation. In other words, education should create dynamic citizen so that they are able to meet the needs of modern complex life."

Munish Khanngwal, Founder Member

"Education is a weapon that can relinquish one of the shackles that's been holding them behind. It is something that teaches how to treat past as an armor to shield from the present."

Vishal Manikandan, Founder Member

"To empower someone in its true sense, educate them!! Let's make education a basic right not a privilege."

Aashna, Founder Member

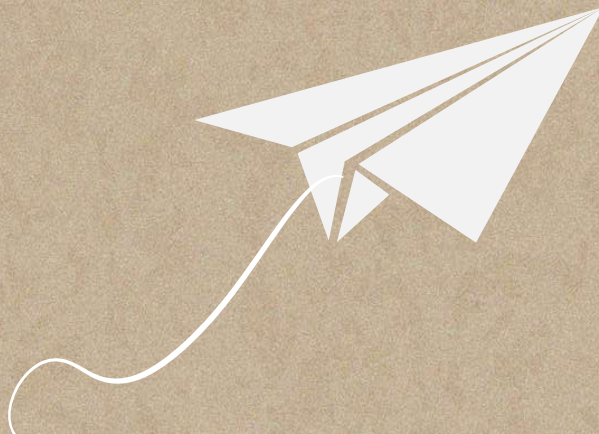

"Education gives you the power to question the boundaries."

Vaibhav Bhandari, Founder Member

Education is something that gives meaning to a person's life! So let's come forward and do a bit from our side to give better purpose to someone's life and shape their future."

Jagrit Jain, Founder Member
